MEMORANDUM FOR: Assistant Director for Special Activities

**SUBJECT: Action Items from the DCI's Morning Meeting
on 19 July 1963**

1. Regarding the present Harriman mission to Moscow, it was decided to stand down the [REDACTED] for one week, ostensibly for weather purposes. We are due to receive a release from the DCI prior to resumption of flights.

25X1C

2. I would like a copy of the recent Perkin-Elmer camera results for the DCI. Pick out the best shots and in a suitable format for giving to the DCI.

25X1C

3. The DCI asked Mr. Helms to arrange for photographic coverage of [REDACTED] the nuclear test facility. It was agreed that action would be transferred to the DD/R and subsequently to OSA. It is requested that you obtain the necessary information and present a tentative concept of operations with a time table for implementation.

25X1A

4. As was discussed in our afternoon meeting, we are to meet with Dr. Wheelon on Monday to discuss this study - [REDACTED]

5. Also discussed was the desirability of more staff support in OSA. It is hoped this can be implemented as soon as possible.

Distribution:

- 1 - AD/OSA
- 2 - DD/R Subj
- 3 - DD/R Chrono

EDWARD B. GILLER
Acting Deputy Director
(Research)
